

Welcome from the Headmistress

Welcome to The Belvedere Preparatory School.

The Belvedere Preparatory School environment creates happy, well rounded pupils who look forward to coming to school every day. As well as having a reputation for academic excellence, we are also known for our welcoming family atmosphere. Our pupils and their parents are at the heart of the school and an integral part of the community. Our teachers are dedicated and inspirational professionals, praised by parents for their energy and commitment. They spend quality time with every pupil in a disciplined yet caring environment, ensuring that the unique and natural talents of each child are recognised and encouraged. We provide a safe, exciting and well-resourced environment for your child to grow and develop.

Our beautiful Victorian building, which is surrounded by wonderful outdoor play spaces, perfectly sums up our unique combination of traditional values balanced against 21st Century learning.

The success of any school is judged by looking at its pupils' work and talking to them, so we invite you to visit our school and to do just that. We are confident that you will be welcomed by our happy, smiling pupils who are courteous and proud of their school.

I look forward to showing you around our school in the future.

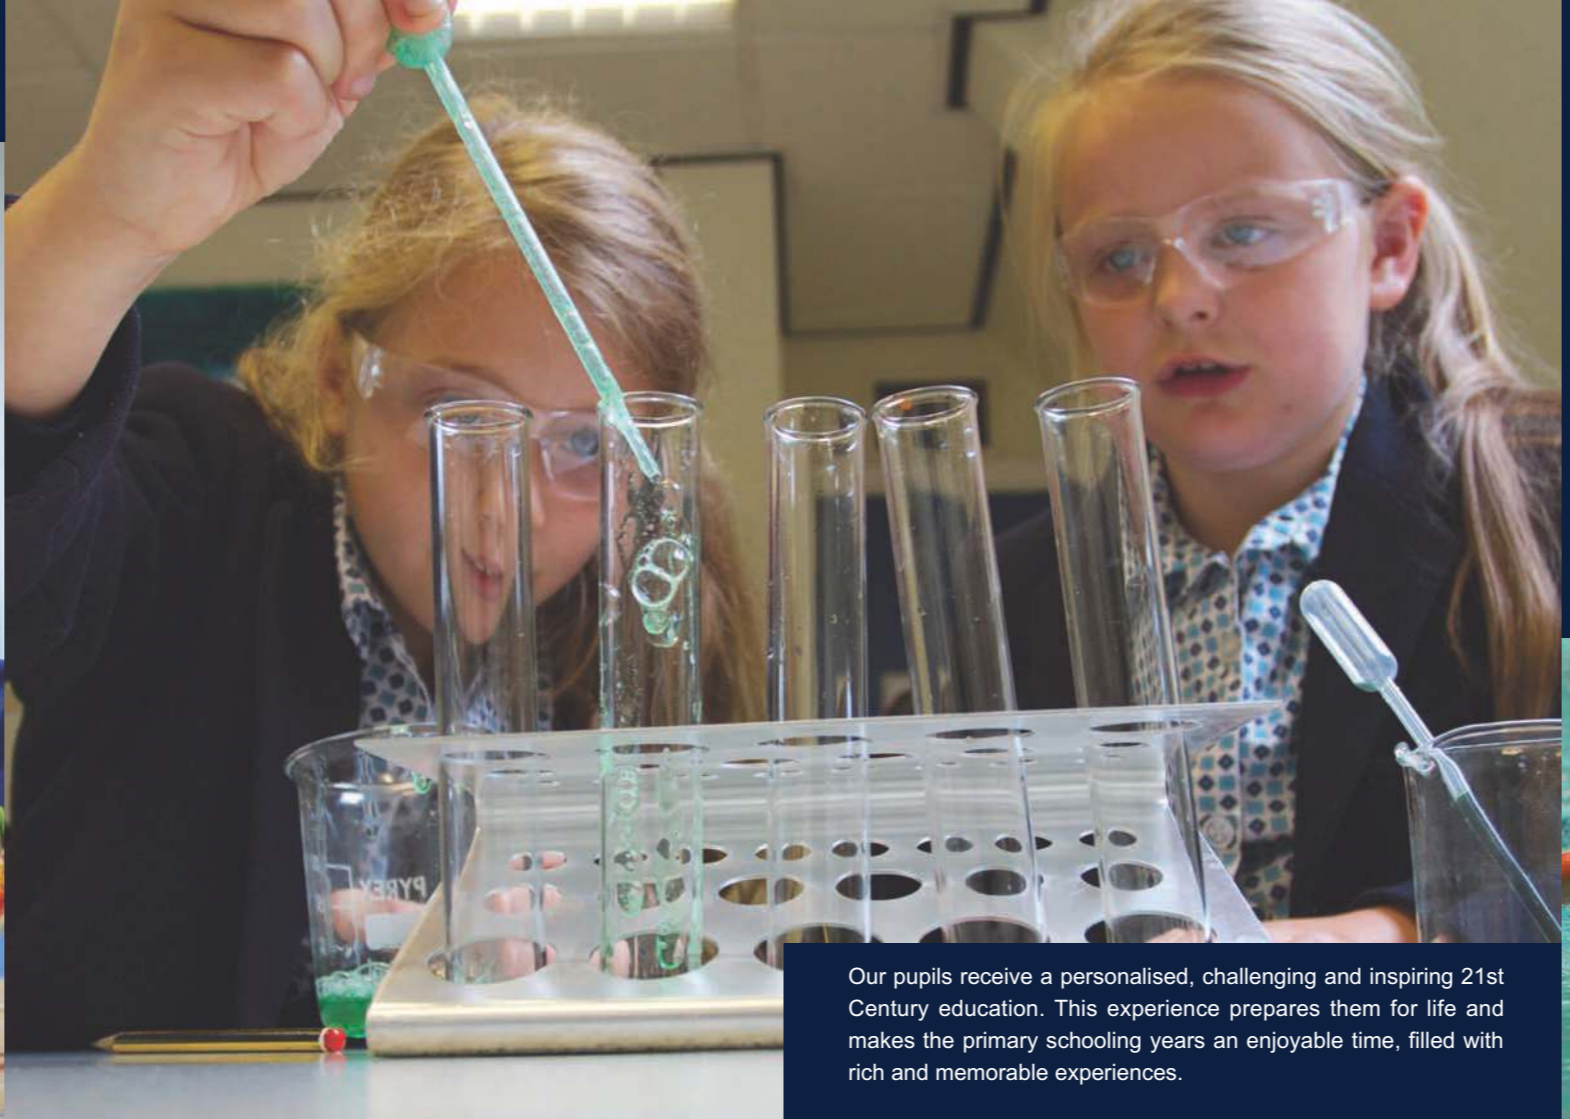

Miss Burnham
Headmistress

Please call the School Office for further details (0151 471 1137)

The Belvedere Preparatory School provides a creative, vibrant and academic education. Our expectations are high, but aspirations for each and every child are even higher.

Each child's unique skills and talents are released and enhanced in an environment of care and respect.

Our pupils receive a personalised, challenging and inspiring 21st Century education. This experience prepares them for life and makes the primary schooling years an enjoyable time, filled with rich and memorable experiences.

Goals and Core Values

At The Belvedere Preparatory School we nurture and engage our children.

In an environment of outstanding pastoral care and with a warm family atmosphere, we allow our children to thrive as happy and well prepared independent learners. We engage our pupils through our stimulating teaching, an extensive curriculum and wide-ranging extra-curricular activities. Our pupils are inspired to explore, question and develop skills for life. Every child is encouraged to strive for excellence by developing their own strengths and unique talents – giving them the confidence to take on new challenges and achieve their full potential.

Our school has a diverse community. It embraces and represents different cultures, religions and family backgrounds within the context of the local community. We believe that this richness makes all families feel valued and all children included.

We endeavour to achieve the highest possible standards in all we do.

The Belvedere Preparatory School was originally founded in 1880

A Proud History

The Belvedere Preparatory School is an Independent Co-Educational School for pupils aged 3-11 years. Our School is housed in a beautiful Victorian mansion which is located in a historically rich area of Liverpool.

With neighbouring Princes Park and nearby Sefton Park providing a leafy backdrop, it is an exceptional environment in which your child can begin their educational journey. Our building provides large, bright classrooms and specialist rooms for Science, Art, Music and ICT.

Our grounds host fantastic play facilities: netball and tennis courts, an astro-turf football pitch, a climbing spacenet and areas for environmental studies.

About The Belvedere Preparatory School

Our First School begins from three years of age. It comprises of a Nursery, a Reception class and a Year One class. It is the initial stage of your child's experience. At First School, all children's unique skills and talents are recognised. The Early Years are used to encourage and foster each child's love of learning, to develop emerging literacy and mathematical skills, and to create positive and long-lasting attitudes towards schooling.

As children progress through our Prep School (Years Two to Six), all abilities and strengths are recognised. Whether these be academic, musical, sporting, artistic, entrepreneurial or leadership talents, they can be promoted through classroom based learning and through the wider opportunities that our school can offer. We expect all of our pupils to aspire to reach exceptional standards in Mathematics and English and to develop the attitude, disposition and values that enable positive choices in the future.

At The Belvedere Preparatory School our pupils achieve high academic standards, but we are not narrowly academic. Boys and girls learn in a supportive, secure and stimulating environment and move on to some of the best schools in Liverpool. We offer a broad curriculum, treat each of our pupils as an individual and encourage them to become independent, questioning and creative thinkers.

Ad Vitam Paramus

Quite simply *'we prepare for life'*. We believe that it is important to equip young people with a range of skills that will positively impact on their changing lives. We hold the fundamental skills of reading, writing and mathematics in high esteem and celebrate achievement in these areas. Through the use of the latest equipment, our pupils develop technological skills across the curriculum. We foster not only the development of conceptual understanding, but also a thirst for knowledge. Our school provides pupils with an environment of care and respect. Hard work, courtesy and kindness are expected of all.

We are proud of our achievements: not only of our academic results, but also of our performance in a wide range of areas which include Sport, Music and the Arts.
