# Should I keep my child off school?

## Yes

### Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

## No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

**RESERVE DATE: 19 October 2023**

**TEAM DETAILS TO FOLLOW**

# SPORT NEWS

A new year, a fresh start! As an introduction back to PE & sport, we had a whole school focus of the importance of teamwork this week. The classes had challenges that they had to achieve by working together as a team. The teams were discussing tactics and were carefully listening to their teammates in order to successfully achieve the task.

YEAR 4

YEAR 2

YEAR 5

# SPORT NEWS

Our cross country team this week went to Croxteth park to run their race. Despite the bad traffic and weather conditions, our children performed very well, gaining some impressive places in the race. We look forward to the overall results.

Year 4 playing a competitive game of Zone Ball this week. It was a very close match!

Years 2-6 have been learning how to play dodgeball this week. They have demonstrated good speed, accuracy and agility. It has certainly proved to be a popular activity amongst the classes!
