ANCIENT EGYPT

Belvedere Prep Present

Eureka!

Discovering the Marvels of Nature, Energy Efficiency and the Human Body. This week, students in years 2, 3 and 4 had the fantastic opportunity to learn and explore at Eureka! During the field trip, they participated in two exceptional educational sessions focused on the human body.

PARKING

Considerate parking outside school reduces congestion. Please park and drive considerately, and with due regard for the safety of other drivers and pedestrians.

There are double yellow lines identifying areas where you should not park. Some cars are parking on the double yellow lines. These cars are making it difficult for families to cross the road safely, whilst also causing congestion for other road users.

We have also received a number of complaints from our local residents.

In order to support the safety of our families, we politely ask that you do not park on the double yellow lines and are considerate of local residents.

We appreciate your support with this matter.
